Professional Summary

Organised, discreet Executive Assistant with experience coordinating client stakeholders and third-party providers, preparing reports and board-ready documents, and running day-to-day operations. At Technotrend I scheduled calls, chased action items and kept implementation timelines on track, and produced recurring performance reports that cut preparation time by 30%. I am tech-savvy, comfortable with AI tools and automation, and treat confidential information with care.

Work Experience

Freelance Executive & Operations Assistant
Admin, Documents, Reporting & Operations Support | Remote
2023 – Present

- Prepared client-ready **documents, proposals, user guides and presentations** (Word, PDF, PowerPoint), including board proposals, project handover notes and step-by-step setup guides.
- Ran e-commerce back-office work for a retail client: organised the full product catalogue, prepared **Google Merchant Center product feeds** (one spreadsheet per category, plus an issues list for the owner), and processed product photos (clean white backgrounds, square crops, smaller files, consistent naming).
- Set up an **AI customer-enquiry assistant on Telegram** that answers product questions, checks stock, recommends items within a budget and calculates order totals with delivery and promo codes, in English or **Nigerian Pidgin**.
- Executed and documented **103 test scenarios** for a property-management web platform, logging results in **Excel** with a screenshot of every failure for the development team.
- Created **Google Play Store listing assets** for CodeDial (feature graphic, icon, screenshots, short and full descriptions) and its hosted privacy and data-deletion pages.

Technotrend Platforms Nigeria Ltd.
Product Analyst / Data Specialist (VAS Operations & Client Coordination)
2023 - 2025
